

GERLITZEN ALPINE SUMMER COME ON UP!

Hiking tip

Traubogen – Peak Hike– Hiking route IV

Duration: 2:15 hours

The Traubogen trail is an easy hike with spiritual energy spots and views overlooking the dreamlike mountain and lake landscape of Carinthia. The trail starts at the Gipfelhaus and circles around the Gerlitzen summit. For this tour, we recommend the 4-sections family ticket.

Paradise for paragliders

Paragliders will find the perfect conditions for an unforgettable flight over beautiful Lake Ossiach on the Gerlitzen Alpe. Its special thermal conditions make the Gerlitzen a paradise for flying. And those who prefer not to fly themselves can marvel at the impressive take-off manoeuvres at the summit. Informations about flight schools and tandem flights can be found at gerlitzten.com.

Culinary delights

The numerous huts located all over the mountain offer the best cuisine, regional hut delicacies, sunny terraces and magnificent panoramic views. After all, only special culinary delights can transform a hike into a unique experience.

The joys of hiking

Hiking can be so many things: healthy, relaxing and liberating if you simply allow yourself to enjoy being active in the clear mountain air. However, you can also go on a fascinating journey of discovery on the manifold trails offered by nature. Unbelievable fun for the whole family! Live your hiking adventure on our richly diverse and well marked trails.

From the pier to the summit

Would you like a holiday in the mountains or at the lake? There's no need to make this difficult decision – at the Gerlitzen Alpe you can enjoy both! Enjoy a boat trip on Lake Ossiach, then come ashore to float up into the wonderfully clear mountain air.

Fun and action for the whole family

The Funpark Gerlitzen Kanzelbahn cable car offers many exciting activities: Sliding fun on the summer tubing track, a wooden ball track for young explorers, twisting kids' bike trails, a 4-person bungee trampoline, mini electric go-karts and an adventure climbing park. Leisure fun for the whole family.

Bike trails for young and old

This summer we present the new Gerlitzen kids bike park. The simple practice course offers varied trails for adolescents and children from 3 years. The around 1 kilometer long „Bino Trails“ are especially developed for the needs of children and teenagers and guarantee a safe cycling experience. You can find more information about bike rentals and tickets under our summer tariffs or at bikepark-gerlitzten.at.

V Kanzelrundweg Circular Route

Walking time approx. 1 hour

Starting at the Kanzelbahn mountain station, this stroller friendly hiking trail leads to the Kanzelhöhe along the asphalt road or, if you prefer, also along the forest and meadow path. From there, a gravel path leads to the highest point. The trail continues along a paved road past the reservoir and back to the starting point.

VI Gerlitzzen Peak to the Kanzelbahn Cable Car / Funpark

Walking time approx. 1:30 hours

From the Gerlitzzen summit you pass the starting points of the paragliders and model airplanes and continue along meadows and easily manageable hiking trails to the Pöllinger Hut. Then continue downhill in the direction of Sunn Alm at the Kanzelbahn mountain station (1,440 m). This hike is especially suitable for families with children and for beginners.

VII 4 Huts Hiking Trail

Walking time approx. 1:30 hours

From the Gerlitzzen Gipfelbahn mountain station (1,911 m) the route leads along an easily accessible hiking trail to Stifterboden. There you are free to choose: You can either take the somewhat longer route to the Steinwender Hut or take the shortcut to the Kammer Hut.
