SCHNEEBÄRENLAND

General information

The first is worst - but not on the Gerlitzten. Learning is easy and even fun in any of the three large practice areas on the mountain including the children's world and polar bear country. This is largely due to the certified children's instructors of the ski and snowboard school Gerlitzten, providing guidance to the little ones along with our mascot, Bino the Bear from Gerlitzten, who sings, dances and entertains the children while the parents carve down the slopes. It is not necessary to reserve a place in the ski course beforehand. Please simply register in one of our ski school offices after arriving at your hotel. We recommend picking up your ski equipment the day before the lessons start. This way you avoid being pressed for time on the first day and will be off to a relaxed start.
